Date: Thursday, March 15, 2018 12:29:19 PM

As a local Custom Home Builder, we feel very strongly that is of upmost importance to keep building codes in place here in Kootenai County. We are unable to attend the meeting on the 19th due to a scheduled trip already planned before the notice of this meeting. Please feel free to contact us at anytime and accept our expression below!

IN SUPPORT OF BUILDING CODES FOR KOOTENAI COUNTY

I urge you to support maintaining the Kootenai County building Codes, and to also support the periodic adoption of new versions of the building code, all as stated by Idaho statute (Section 39-4116). I am opposed to abolishing the codes and relying on voluntary compliance, and also opposed to any exemption for single-family homes from the permit review process.
