**Subject:** Proposed Building Code/Permit changes OPTION #3!!

To the Kootenai County Board of Commissioners,

In regards to the proposed building code/permit changes I hope you take in to consideration the vast outreach from our community in support of Option #3. Most of my colleagues, clients, friends family and myself all agree that there would be numerous major consequences, some may not be felt for years, If any of the other 3 options are adopted. The long term value of our county depends on it and we hope you do the right thing! I will also be attending tonight's hearing!

Thanks for your time and consideration,
