A. **Resolution No. 2018-44, Community Development Fee Schedule** The current fee schedule was adopted via Resolution No. 2018-44, enacted on April 26, 2018. However, as a result of the approval and upcoming adoption of an ordinance which will require property owners constructing residential or accessory structures to comply with all County building permitting requirements, it has become necessary to add a schedule of new fees to cover the cost of processing and issuance of mechanical permits. Also, as a result of the abolition of location permits, the fees associated with such permits will be eliminated. Renewal of previously issued location permits will continue to be processed at no charge to the permit holder.

In addition, most Planning Division fees and certain other Building Division fees are proposed to be increased by approximately five percent (5%). The purpose of the new fees and fee increases is to minimize the use of property tax revenues in funding Kootenai County Community Development operations. The proposed changes are as follows:

| | Fee Type | Current Fee | Proposed Fee |
|------------------------|--|--|-----------------------|
| Eliminated fees | Location Permits for Residential Structures | \$500 | No fee |
| | Location Permits for Accessory Structures | \$300 or per the current Building Permit fee structure, whichever is lower | No fee |
| New fees | Mechanical Permit Fees | N/A | See Exhibit "D" below |
| Changed fees | See proposed fee schedule and exhibits below | | |

VI. DELIBERATIONS – Action Items

- A. **Case No. CUP18-0008, a request by LIMA Properties, LLC** (David and Sunshine Welton), for a Conditional Use Permit to construct a Mini Storage and Rental Warehouse facility on 5.00 gross acres in the Rural zone. The proposal will be developed in three (3) phases. At full built out there will be nine (9) buildings ranging from 6,720 sq. ft. to 8,960 sq. ft. in size. The Applicant plans to partition the proposed structures into a maximum of 178 units and an onsite office. The units will provide year-round dry storage for RVs and boats. The proposed office building will have a PHD approved on-site septic system. Domestic water to the office will be

provided with a new well. Access to the project site will be from the terminus of Sylvan Road via a new 30' wide access easement across Parcel # 0-0200-001-016-B (*directly to the south of the project site*). The subject parcel number is 0-0200-001-015-B and described as Arthurs Sylvanian Acres, W2 Lot 15, Block 1 Except Right-of-way in Section 15, Township 53 North, Range 03 West, B. M. Kootenai County, Idaho. Hearing Examiner held a public hearing on February 7, 2019 and recommended denial. The Board held deliberations on February 21, 2019 and approved a public hearing request. The Board held a public hearing on April 10, 2019 and continued deliberations to April 25, 2019. (*Vlad Finkel-Planner*)

- B. **Case No. VAR18-0009, a request by Patrick Magajna** for an 18' variance to the 25' front yard setback on a parcel in the Restricted Residential zone. Due to common ownership assessment reasons, the Assessor has this Lot 4 Block 1 and Lot 3 Block 2 of Split Rock Subdivision depicted as one 0.96 acre parcel. However, according to the recorded plat, they are still two separate lots. Specifically, the Applicant wishes to construct a residence with an attached garage on the south side of N. Split Rock Road. Due to the steep topography of the site, the Applicant cannot maintain the front yard setback. As a result, the residence with attached garage would be located 7' from the property line. Access to the property is via N. Split Rock Road, a road dedicated to the public. The parcel number is 0-7480-001-004-A and described as: Lot 4 Block 1 of Split Rock Subdivision in Section 17, Township 51 North, Range 03 West, B.M., Kootenai County, Idaho. The Hearing Examiner held a public hearing on April 4, 2019 and recommended approval. (*Ben Tarbutton-Planner*)

Re-scheduled to May 2, 2019

- ~~C. **Case No. VAR19-0002, a request by Randy Heidenreich** for a 22' 8" variance to the 25' front yard setback on a 0.415 acre parcel in the Restricted Residential zone. Specifically, the Applicant wishes to improve an existing residence with the addition of a master bedroom suite, entry way, and storage area. Due to the topographic constraints and the location of the existing septic tank, the Applicant cannot maintain the front yard setback. As a result, the proposed improvements would be located 2' 4" from Geneva Lane, a private road. The parcel number is 0-1535-001-005-0 and described as: Lot 5 Block 1 of Cove Point and 1/33 interest in the private road in Section 11, Township 47 North, Range 04 West, B.M., Kootenai County, Idaho. The Hearing Examiner held a public hearing on April 4, 2019 and recommended approval. (*Ben Tarbutton-Planner*)~~
