

**Resolution 2020-30**  
**Kootenai County FY20 Surplus Fund Balance Allocation**

**WHEREAS**, the intent of the Kootenai County Board of Commissioners (Board) is to provide direction and guidance in regard to fund balance policy resolution 2019-33; and

**WHEREAS**, the fund balance represents the difference between fund assets and fund liabilities. Fund balance is intended to serve as a measure of the financial resources available in a governmental fund; and

**WHEREAS**, a fund balance range is the range amount this policy has set within which the County means to maintain a specific fund balance. The ranges set for each fund are based on the predictability of revenues, volatility of expenditures, and liquidity requirements of each fund and shall be reviewed periodically. Adequate fund balance ranges are necessary for purposes of unanticipated expenditures, and to meet desired reserves.

**WHEREAS**, the combined, unassigned General Fund and Justice Fund balances are to be maintained at two months' of the prior year or current year county-wide personnel and operating, whichever greater. We have allocated **\$14,058,129** to this unassigned use; and
