

RESOLUTION NO. 2018-44
Community Development Fee Schedule

WHEREAS, Sections 31-870 and 63-1311A, Idaho Code, provide that the boards of county commissioners of each county in Idaho may collect fees for services provided; and

WHEREAS, with the adoption of the Kootenai County Building Code Ordinance, Ordinance No. 522 (to be codified at Title 7, Chapter 1, Kootenai County Code), effective April 30, 2018, the Board of County Commissioners has adopted provisions by which a property owner may opt out of the building permitting process upon application for a location permit for a residential structure or residential accessory structure, necessitating the adoption of new fees of \$500.00 for residential structures and \$300.00 for residential accessory structures, respectively, to defray the cost of processing such applications; and

WHEREAS, because the Building Code Ordinance eliminates the adoption of the International Mechanical Code and International Fuel Gas Code, the fees associated with the adoption of these codes must also be eliminated; and

WHEREAS, the Director of Community Development has also recommended that the Plan Review fee be modified to the rate of \$65.00 per hour for the third and subsequent review of submitted plans, and for review of modifications to submitted plans; and

WHEREAS, the Director of Community Development has also recommended that a new category be added for refunds of permit fees upon cancellation of an active permit by the property owner or permit holder and no inspections have occurred, providing that such refunds shall be limited to eighty percent (80%) of fees paid, and that such requests must be made within one hundred eighty (180) calendar days after issuance of the permit; and

WHEREAS, the Director of Community Development has also recommended that the fee for re-inspection be expanded to also encompass reactivation of a building permit;

WHEREAS, the Board of County Commissioners concurs with these new and modified fees;

NOW THEREFORE, BE IT HEREBY RESOLVED that the following fee schedule shall become effective immediately.

BE IT FURTHER RESOLVED that the fees adopted herein shall be administered by the Director of Kootenai County Community Development.
