RE: Purchase approval request for Knudtsen Chevrolet

This request is for approval to pay Knudtsen Chevrolet \$338,729 for seven 2025 Chevrolet 2500HD 4x4 crew cab trucks. Purchase of the trucks was approved by the Board on May 6, 2025, and the "C" budget in Fund 30 was amended for the purchase.

The trucks have been delivered to the dealership, and the Airport is moving forward with upfitting on the trucks. This payment to Knudtsen, when added to the down payment remitted May 7, 2025, totals full payment of the vehicle purchase.
