

This is a one-time ask for Killer High: Investigating the Fentanyl Epidemic using opioid settlement funding. The Sheriff's Office would like to bring the "Killer High" training to Kootenai County Office of Emergency Management on May 13, 2026.

The total projected costs for this training and travel is \$6,500.

This program fits into Appendix A in the following sections:

- I-1 "Educate law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs."
