SOLID WASTE

Memorandum

To: Board of County Commissioners
From: John Phillips, Solid Waste Director *JP*
Date: August 13, 2025
Subject: #232 Knuckle Boom Crane Repair

The Solid Waste Department would like approval from the BOCC to repair our 2022 Knuckle Boom Crane (Grizzly) (asset #8250) that needs a new grapple.

Crane Equipment Manufacturing Corp supplied us with a quote for the grapple, and the total was \$32,595.60, but they could only estimate what the shipping cost would be. We would like approval for \$34,000.00 to cover what was quoted along with any additional shipping cost. Our department has budgeted for repairs such as this for FY26.

This expense would come out of 60.1.182.5.925-9025.
