Auditor's Office

FROM: Kim Stevenson, Airport      **KAS**

DATE: October 16, 2025

RE: Request budget for ARFF truck lease FY26

On August 19, 2025, the County Commissioners approved the lease of an ARFF truck after a main pump failure of our ARFF truck to get back in compliance with our Part 139 certificate.

At that time, the Airport said we would return after the new fiscal year began to request budget to cover October – December 2025 invoices from Company Two LLC.

We are requesting approval of \$24,000 (\$8,000 per month) in budget be added to 30.1.101.2-8203 to cover this expense. We also request approval for the use of fund balance to cover the expense.
