HOW CAN EDISON ACTUALLY HELP ME?

"We customize your care to meet your specific needs, ensuring that you're receiving the best possible care, at the best time, and in the best location. This will ensure you can move forward and live life in the way you desire."

Krista Olsen, M.D., OB-GYN

IT'S A FREE BENEFIT

Edison provides you with a virtual second opinion, a proper treatment plan, and the coordination of that treatment plan. All this, at **NO-COST** to you. Our virtual Women's Health services require no deductible, copay, or coinsurance costs for you or your family.

WE MAKE THIS SO EASY FOR YOU!

1

CALL YOUR CARE COORDINATOR

Call **866.982.7988** to connect with your dedicated Care Coordinator. They will walk you through our process, help gather records, and schedule your appointments.

2

GET A VIRTUAL SECOND OPINION

Edison provides a world-class physician-driven clinical evaluation from the comfort of your home. Our virtual platform gets you seen and treated faster.

3

RECEIVE A PROPER TREATMENT PLAN

Your OB-GYN provides a thorough clinical evaluation, an accurate diagnosis, and an appropriate treatment plan. Then they work with your Care Coordinator to facilitate that plan in the manner that best fits your needs.
