Memorandum

To: Board Of County Commissioners
From: LT. W. H. Klinkefus
RE: Purchase of Radio/Camera equipment for patrol vehicles approved in the FY26 Budget
Date: December 30th, 2025

This memo covers Motorola quote numbers 3414094 and 3356295. These are for radio and camera equipment to be installed in the approved patrol vehicles. Quote 3356295 is for purchasing six upgraded portable radios and body cameras that we have the opportunity to put into service to evaluate the added safety, versatility, and efficiency of the new technology. Although initially, this purchase will put this capital project over budget, Motorola is allowing us to trade in eight current portable radios for a credit toward this purchase that will offset the costs and keep the project well within budget. The credit is referred to in the verbiage of this quote, but the total will not be known until the radios are returned and received by Motorola.

RE: Motorola Quote for 8500/V700/M500 X10

Dear Will Klinkefus,

Motorola Solutions is pleased to present KOOTENAI COUNTY SHERIFF with this quote for quality communications equipment and services. The development of this quote provided us the opportunity to evaluate your requirements and propose a solution to best fulfill your communications needs.

M500 line item discount reflects the current M500 Promo Motorola is offering for upgrading from the 4RE to the M500. That promo could not be chosen due to the existing NASPO agreement in place for the radio portion of the quote.

This information is provided to assist you in your evaluation process. Our goal is to provide KOOTENAI COUNTY SHERIFF with the best products and services available in the communications industry. Please direct any questions to Mishelle Buries at mburies@daywireless.com.

We thank you for the opportunity to provide you with premier communications and look forward to your review and feedback regarding this quote.

Sincerely,

Mishelle Buries

RE: Motorola Quote for APX Next with SVX 6

Dear Will Klinkefus,

Motorola Solutions is pleased to present KOOTENAI COUNTY SHERIFF with this quote for quality communications equipment and services. The development of this quote provided us the opportunity to evaluate your requirements and propose a solution to best fulfill your communications needs.

Per Roy Kyser(ASM) and Sarah Kipper (AE), Kootenai County would return 8 APX 8000 portable radios, new in the box for credit due to never being deployed. The credit to their account then could be use for future Motorola equipment purchases.

This information is provided to assist you in your evaluation process. Our goal is to provide KOOTENAI COUNTY SHERIFF with the best products and services available in the communications industry. Please direct any questions to Mishelle Buries at mburies@daywireless.com.
