

RESOLUTION NO. 2013-20
Surplus Property – Juvenile Detention

WHEREAS, *Idaho Code* § 31-807 vests the Board of County Commissioners with the power and authority to manage real and personal property for the benefit of the County; and

WHEREAS, *Idaho Code* § 31-829 provides that whenever any elected official has any personal property belonging to the county under his/her jurisdiction or control which, in his/her judgment, is of no further use to the county, he/she may, with the consent of the Board of County Commissioners, have the property declared as surplus and dispose of the property through sale or other means; and,

WHEREAS, Kootenai County Juvenile Detention has in its possession a 1993 GMC Van, VIN No. 1GKEL19W3PB544604, with a current odometer reading of 101,098 miles. The van has encountered significant mechanical problems; and,

WHEREAS, Juvenile Detention sought the advice of the Kootenai County mechanic regarding the mechanical condition of the van, and it was the mechanic's position that it would not be cost effective to repair and restore the van to an operational status, thereby rendering the van useless to Juvenile Detention; and,

WHEREAS, the van described hereinabove, in its present condition, has a market value of approximately \$2,326.00; and,

WHEREAS, due to the mechanical issues and its present condition, the van would be of no benefit to other county departments; and,

WHEREAS, Juvenile Detention desires to have the above-referenced van declared as surplus property;

NOW THEREFORE, IT IS HEREBY RESOLVED that the 1993 GMC Van described hereinabove be, and hereby is, declared to be surplus property, and in accordance therewith, the Board of County Commissioners may take action to sell said van through public auction to the highest bidder, and if not sold at said public auction, then may dispose of said van through private sale or other means in accordance with Idaho law.
