Surplus Property – Solid Waste

WHEREAS, *Idaho Code* § 31-807 vests the Board of County Commissioners with the power and authority to manage real and personal property for the benefit of the County; and

WHEREAS, *Idaho Code* § 31-829 provides that whenever any elected official has any personal property belonging to the county under his/her jurisdiction or control which, in his/her judgment, is of no further use to the county, he/she may, with the consent of the Board of County Commissioners, have the property declared as surplus and dispose of the property through sale or other means; and,

WHEREAS, Kootenai County Solid Waste has in its possession a 1970 Butler Tanker Trailer, Equipment #150, VIN #7976PSSM which has outlived its usefulness; and,

WHEREAS, the tank and the frame are in poor condition and it would not be cost effective to repair and restore it to operational status, thereby rendering the tanker trailer useless to Solid Waste; and,

WHEREAS, the tanker trailer described hereinabove, in its present condition, has a market value of approximately \$1,000.00; and,

WHEREAS, due to the mechanical issues and its present condition, the tanker trailer would be of no benefit to other county departments; and,

WHEREAS, Solid Waste desires to have the above-referenced tanker trailer declared as surplus property;

NOW THEREFORE, IT IS HEREBY RESOLVED that the 1970 Tanker Trailer described hereinabove be, and hereby is, declared to be surplus property, and in accordance therewith, the Board of County Commissioners may take action to sell said tanker trailer through public auction to the highest bidder, and if not sold at said public auction, then may dispose of said tanker trailer through private sale or other means in accordance with Idaho law.
