SECTION 3: TERM AND PAYMENT

Annual fees are billed on the consolidated tax statement. Fees for operation of the solid waste system are to be billed in advance of the services rendered so the solid waste system can operate on a cash basis in accordance with the Idaho Constitution. No fee shall be charged to un-occupiable dwellings. Conditions necessary to qualify for solid waste fee reductions are stated in the current "Circuit Breaker Resolution".

Upon payment of the annual fee, the residential property owner is authorized to dispose of up to 2,000 lbs of ordinary household wastes and yard debris associated with the residential property which the fee was paid without additional charges at the Solid Waste Department, excluding roofing, demolished buildings or trailers and those items identified herein. Ordinary household waste with additional exclusions posted at each rural site may also be disposed of at the remote (dumpster) sites located throughout the rural portions of the County. Commercial use of these rural disposal sites is prohibited.

Upon motion to adopt the text of the foregoing Resolution made by Commissioner _____, seconded by Commissioner _____, the following vote was recorded.
